EQUIPMENT, MACHINERY, AND VEHICLE (EMV) RENTAL SERVICES

UnisuS offers comprehensive EMV rental solutions, providing a wide range of lifting, civil, and mechanical equipment to meet the diverse needs of construction and industrial projects. Our well-maintained fleet ensures efficiency, safety, and reliability, enabling seamless project execution.

OUR SERVICES:

Lifting and Moving Equipment

Many construction projects require working at heights and handling heavy materials. We provide high-quality lifting equipment, including

- Hoists, Cranes, Forklifts
- Scissor Lifts, Boom Lifts, Telehandlers

Civil Equipment

Civil construction demands adaptability and innovation, with advanced machinery enhancing project efficiency. Our rental fleet includes:

- Excavators, Backhoe Loaders, Bulldozers
- Compactors, Dump Trucks, and More

Mechanical Equipment

Mechanical construction projects require specialized tools for pipe fitting, welding, structural installation, and equipment setup. We offer:

- Welding Generators, Tower Lights
- Portable Welding Machines

With flexible rental plans and a commitment to quality and safety, UnisuS ensures that your project is equipped with the right machinery for optimal performance and productivity.

Project Material Solutions (PMS)

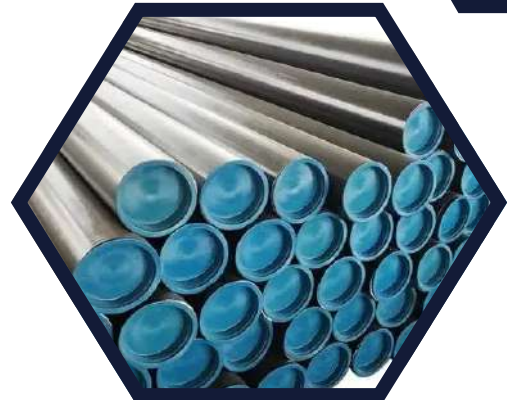

At UnisuS, our Project Material Solutions (PMS) is dedicated to supporting EPC Companies and PC Contractors across the Kingdom by sourcing the right materials from the right vendors and manufacturers. We achieve this by thoroughly understanding our clients' requirements, delivery schedules, and budget constraints to provide optimal procurement solutions.

Our highly qualified engineers specialize in sourcing project materials from approved vendors and manufacturers, ensuring competitive pricing, flexible payment terms, and reliable delivery schedules.

With extensive experience in Saudi Aramco, SABIC, and MA'ADEN-specific procurement processes, along with in-depth knowledge of KSA import/export regulations and Local Content compliance (IKTVA, LCGPA, etc.), we offer a distinct advantage to EPC & PC contractors in Saudi Arabia.

OUR EXPERTISE COVERS THE SUPPLY OF:

- **Electrical Bulk Materials – Cables, Cable Trays, Conduits, and more**
- **Instrumentation Bulk Materials – Instruments, Instrumentation Cables**
- **Piping Bulk Materials – Pipes, Valves, Fittings, Fasteners**
- **Mechanical Project Materials**
- **Steel & Steel-Related Materials**
- **Firefighting & Insulation Materials**
- **Scaffolding Materials**
- **Project Consumables**
